The Bow Wongs Honor the Emperor.

at the Hall of the Reform Society.

The Chinese Reform Association, mor commonly known as the Bow Wong Wi the Emperor Kwang Hsu. The young Emperor was born on the 22d of July, but owing to that day having been the day on which a former good Emperor departings of the Honolulu Iron Works in ed this life, the Chinese have selected a later date for observing the event. July

hall of the Reform society at the corner of Kukui street and College Walk was filled to the lanais with members of the association, all gathered to do honor to the name and fame of the Emperor, whom they desire to again see seated upon the throne of the empire. It is es-HIS HAPPY HOME timated that between 450 and 500 Chinese were gathered inside and outside the hall. The exterior of the building was decorat-Judge Wilcox Doubts Sincer- ed with Chinese and American flags, while the interior was filled with flags of the empire, association banners, potted plants of the Chinese varieties. Festoons of leis were strung from the ceiling to the corners of the room.

At 11:30 o'clock yesterday morning the

Mr. Wong Leong, the president of the association, mounted the platform and made a short introductory address. He called for three cheers for the Emperor and they were given with a will.

The president then introduced Mr. C. T. Akana, who said that not in a thousand years had the Chinese been blessed crown. The Emperor, to the Chinese "He knows that our empire will be

continue in their present condition, and The Judge thought that this was he will give up his life to save the 400,-Mr. Ng Fon said the empire was pos-

sessed of a wise Emperor and he hoped Judge Wilcox said he had listened to within sound of his voice. His speech the "Leave the country" story before was punctuated by repeated cheers and eds, whose sole ambition and he had seen people many times hand-clapping. "Our country is now in midst of the terrified mob they would shake the dust of Honolulu one man to save China from destruction

> give his life to save his countrymen, Now Donohoe pleaded guilty to the charge, he is imprisoned, suffering for the reand Judge Wilcox took his case under form of his country. He would freely is a wicked woman. My countrymen, all of you know that the Emperor only had an opportunity to attempt reform in China during the three months he was on the throne. The whole empire calculated FOR FUMIGATION the throne. The whole empire calculated then and calculates now for the Emperor o save the empire from destruction.

"I wish to say now that the one purpose of our society here in Honoluly is to save the Emperor. We can look all people straight-face to face-and are not ashamed to say that that is what we are organized for. It is the one highest idea of our organization. When the Emperor s again restored to the throne we will

MONASTERY 600 YEARS OLD. London has uncovered the ruins of an old parliament house in the long disused burial grounds of St. Anne's, as to his leaving Honolulu for all time, among us all. His mother, the Empress, Blackfriars, where some modern build- and Donohoe may yet take His Honor's does not know how to take care of the ings were destroyed. The arches of empire. He knows better than she. She the monastery of the Dominicans or Blackfriars were brought to light. The monastery was built at about the end of the thirteenth century. Parliaments were frequently held in the building, and several of them have become historically important. In 1450 the parliament which began its sittings at Westminster was adjourned to the Blackfriars. In 1542 Henry VIII held a parliament here for granting a subsidy of £800,000. This was adjourned to Westminster, where it sat until 9 o'clock in the evening, and was from that circumstance called "the Black parliament." In 1529 the question of the gon was tried here, and the divorce pronounced. In the same year a par-

> Blackfriars when on a visit to Henry VIII. The monastery was suppressed In 1578 Burbage erected a theater upon part of the site of the Blackfriars house, and Shakespeare is supposed to have taken a share in the speculation. The arches brought to light resemble the arches of the choir of St. Savior's, Southwark. The vaulting is fine, and the whole fragment probably formed a
